

BC Partners and Silver Lake Complete Acquisition of MultiPlan, Inc.

New York, NY; August 26, 2010 – MultiPlan, Inc. today announced the completion of its acquisition by BC Partners, a leading international private equity firm, and Silver Lake, the world's largest private investor in technology. The new owners are poised to help MultiPlan achieve its growth objectives by building upon its foundation as the nation's most comprehensive provider of healthcare cost management solutions.

Mark Tabak, Chief Executive Officer of MultiPlan, said, "The healthcare system is in the midst of sweeping change. MultiPlan's comprehensive suite of transaction-based healthcare cost management services help healthcare payers and providers meet their business and growth objectives in this challenging and evolving environment. In BC Partners and Silver Lake, we have world class investors with proven healthcare and technology expertise."

Founded in 1980, MultiPlan is the nation's leading comprehensive provider of healthcare cost management solutions. The company delivers transaction-based services to insurers, health plan administrators, and other payers of healthcare services, as well as to its national network of medical providers, which includes over 5,000 hospitals, 92,000 ancillary care facilities and 750,000 healthcare practitioners in the United States. The company processes more than 100 million medical claims annually.

About MultiPlan

MultiPlan, Inc. is the industry's most comprehensive provider of healthcare cost management solutions. The company provides a single gateway to a host of primary, complementary and out-of-network strategies for managing the financial risks associated with healthcare claims. Clients include large and mid-sized insurers, third party administrators, self-funded plans, HMOs and other entities that pay claims on behalf of health plans.
