

## **MultiPlan Showcases Young Artists in Holiday Card Program**

New York, NY, October 13, 2014 — MultiPlan, Inc. is pleased to announce the top drawings selected in its 2014 Holiday Card program. Congratulations go to:

- Niswonger Children’s Hospital, Johnson City, Tennessee
- McLane Children’s Hospital, Baylor Scott & White Health, Temple, Texas
- Boys Town National Research Hospital, Boys Town, Nebraska

MultiPlan’s Holiday Card Program invites pediatric patients at hospitals participating in MultiPlan’s PPO networks to enter their drawings for a public vote on the MultiPlan website. The five entries that receive the most votes are featured on holiday greeting cards, produced courtesy of MultiPlan. All hospitals that submit drawings receive boxed sets of the cards for use in fundraising to support pediatric activities.

The 45 entries submitted this year received almost 9,700 votes in the online voting. The top five drawings are featured on MultiPlan’s website at: <http://www.multiplan.com/providers/holidaycardprogram.cfm>.

“We’re glad that through this program we’re able to help spread a little cheer during a child’s visit to the hospital.” said Dr. Anthony Sposato, Chief Medical Officer for MultiPlan. Sposato continued, “The proceeds from the sale of the cards help support the hospital’s pediatric programs, so they continue to work beyond the holiday season.”

In conjunction with this program MultiPlan will make a \$12,000 donation to Starlight Children’s Foundation. Starlight is a leading global charity that partners with experts to improve the life and health of kids and families around the world. Collaborating with experts in pediatric healthcare, entertainment and technology, Starlight provides a unique blend of family-centered programs and services from hospital to home.
