Bruce Singleton Joins MultiPlan as Senior Vice President, Network Development Strategy

New York, NY – MultiPlan, the industry's most comprehensive provider of healthcare cost management solutions today announced that it has appointed Bruce Singleton Senior VP, Network Development Strategy. Based in the company's Irving, Texas office, Bruce will lead MultiPlan's network development efforts beginning on March 2, 2015.

“We are pleased to have Bruce join the company in this strategic role,” explained Michael Ferrante, MultiPlan's Executive Vice President, Operations. “He brings a breadth of experience in the healthcare industry. I am confident his leadership and strategic direction will further enhance our networks as the market evolves and contribute to the organization's continued success.”

Previously, Mr. Singleton served as Vice President of Networks for Aetna's Network Access Businesses, including Coventry Workers' Compensation Services, where he was responsible for the provider network strategy, development, and delivery of the company's workers' compensation, auto, and group health rental network products. Prior to that, he was the Vice President of Dental Office Operations for Monarch Dental Corporation and also held consulting roles at a number of organizations, including Arthur Andersen, where he advised healthcare companies on financial and operational matters.
